IT'S GOING TO SCARE THE QUARTERS OUT OF THEM.

ALIEN SYNDROME is not a game for the timid. From the moment you step aboard the alien-infested space ship to rescue its trapped crew you are harassed and assaulted by increasingly terrifying creatures. With the aid of a variety of weapons, you work your way through various rounds of play to the final encounter.

Brilliant graphics, realistic sound, and suspenseful music make this one- or two-player game a captivating thriller!
